

Solar Home.org 3000 Watt Grid-Tie System

with  evergreen solar. panels
Think Beyond.

Every SolarHome GTS Package comes with everything you need to finish your project and start saving money!

- 1) Select the system you want and add it to your shopping cart
- 2) Checkout. No credit card is needed. **You have no obligation to buy this system until your order is confirmed by a Solar Home sales representative.**
- 3) A Solar Home sales representative will call you to confirm your order and provide you with an exact shipping cost. Shipping is not included on GTS systems but due to our size we will ensure that you receive the lowest rate possible. We do not markup shipping costs on GTS systems.

4) You can pay by check, wire, or credit card. We can even arrange financing at low rates. Discuss this with your sales representative.

5) Once your order has been confirmed and paid for it will ship in 1-2 days. If you have any questions regarding rebates, installation, or your warranty please call our experienced customer service at 1-866-SUN-PRODUCTS.
